EXPERIENCE

Senior Software Engineer | Nordstrom | 9/2014 - Present
Leveling up retail. Our mobile sales growth is exponential. We practice test-driven development, pair programming, and lean methods. I run Swift Club and lead weekly meetings. I love giving talks on the regular; the best way to learn is to teach.

Software Development Engineer | Microsoft | 5/2013 - 9/2014
User interface guru on three iOS projects: Xbox.Music, a music streaming app; SmartGlass, Xbox One's remote controller; and Microsoft Band.

iOS Developer | Cardinal Solutions | 6/2012 - 5/2013
Built interactive brochures and customer relation management tools for Fortune 500 clients.

Web Developer | RSSBus | 6/2011 - 5/2012
Built data integration apps with: ASP.NET, Java Servelets, and SQL dialects, HTML5, jQuery, information architecture, UI modeling.

IT Director | WXYC 89.3 FM | 1/2007 - 6/2011
Wrote an iPhone app. Revamped the station's online services.

EDUCATION

Bachelor's of CS | University of North Carolina | Chapel Hill, NC
Associates's of Science | Durham Tech Community College | Durham, NC

LEADERSHIP

President, Webmaster & Graphic Designer | Science Club | 8/2005 - 5/2007
Started the Annual Black History Month Seminar Series; hosted professor talks, planned diversity events, promoted arts and entertainment. Built a nature trail. Built a website.

Vice President & IT Chair | Student Senate | 8/2005 - 5/2007
Organized "Food For Thought" community events: educated low-income residents about accessible Durham public services. Partnered with Durham Parks & Recreation.

Textbook Cost Chair | State Student Government | 5/2006 - 5/2007
Started a statewide SGA campaign to urge politicians for textbook cost reform. Lobbied on Capitol Hill, helped realize textbook legislation.
